methods that may reduce the risk of developing this cancer. With early diagnosis, there is a 90% survival rate. Today, 9% of cancer deaths in the US are from this type of cancer. She explained that the new position would be in partnership with

Campbell County Cooperative for Education Services in Cold Spring. It was explained that the Cooperative determined they were in need of police presence on a regular basis due to several incidents occurring this past Fall. The Cooperative first approached Cold Spring Police Department to provide the service; however, they declined for a number of reasons most notably that the facility serves a much larger population than the City of Cold Spring. Campbell County Police Department was then approached by School Superintendent Anthony Strong with the request to provide the service. It was then determined that the Campbell County Police Department could provide the requested service with the Cold Spring Police Department providing first response should the SRO need support. Chief Hill was available for comments or questions. Motion was made by Judge Pendery and seconded by Commissioner Otto. There being no further questions, all voted "AYE" and the motions passed unanimously. Judge Pendery noted his appreciation of the efforts made by Chief Hill in meeting the needs of the Cooperative for Education Services.

Upon the conclusion of New Business, Judge Pendery invited reports from Staff. Mr. Robert Horine, County Administrator, presented Resolution R-32-08 to the Court for consideration. The Resolution was read by title and a summary given: a resolution of the Campbell County Fiscal Court authorizing the County Judge/Executive to enter into an Agreement with Thelen Associates, Inc. to provide construction review services for the new Administration Building at 1098 Monmouth Street. He explained that the required services would be provided on an as needed unit price basis with the total cost for services being estimated at \$30,000.00. Motion was made by Commissioner Rehtin and seconded by Judge Pendery. Commissioner Rehtin questioned the manner in which the services of Thelen Associates, Inc. were secured. Mr. Horine explained that Thelen Associates, Inc. provided construction review services for both the kitchen/laundry and the 256 bed additions to the jail with their performance being exemplary. They also have prior experience of the site in question as they provided the original geotechnical review and have worked with the architect and construction manager through the preparation of the construction plans. Commissioner Rehtin questioned how the current rates compares with the rate provided for the jail site. Mr. Horine stated that the rate is similar with only a \$1.50 difference. He added that Staff considered contracting the work on a lump sum basis but determined the County would be better served with a per unit basis. There being no further discussion, all voted “AYE” and the motion passed unanimously.

The report of the County Attorney was next on the agenda. Justin Verst provided the Court with a copy of the Motion of Dismissal for Case No. 08-CI-045, Edna Roe vs. Campbell County, KY, signed by Judge Julie Reinhardt Ward. He then provided a brief background on the case.

Neither Commissioner Otto, Commissioner Rehtin, nor Commissioner Hayden had reports to submit.

Judge Pendery reported that the Spring Clean-Up for Campbell County has been set for March 28, 29 and 30. He noted that information pertaining to the Clean-Up appeared in the most recent issue of *What's Happening in Campbell County*.

A report from the Fiscal Director was then invited by Judge Pendery. Mr. Jim Seibert, Director of Fiscal Affairs, presented Budget Appropriation Transfers to the Court for approval. Motion was made by Commissioner Rehtin and seconded by Commissioner Otto. There being no further discussion, all voted “AYE” and the motion passed unanimously.

Mr. Seibert next requested a motion to approve the Claims and Supplemental Claims as presented. Mr. Verst stated he reviewed the Claims as required by law and all appear to be in order. Motion was made by Commissioner Otto and seconded by Commissioner Hayden that the claims be approved. Commissioner Otto questioned whether the claim for copies, as listed on page 12, could have been eliminated by utilizing the new copier recently installed at Planning and Zoning. Mr. Horine explained that the number of copies needed would have overworked the new copier. There being no further discussion, all voted "AYE" and the motion passed unanimously.

Commissioner Rehtin questioned whether the jail construction budget has been closed. Mr. Seibert noted that expenditures slightly exceeded the budget; however, he will check its status and report back to the Court with his findings. Mr. Horine added that the budget was exceeded by the purchase of some furnishings.

There being no further business before the Court, motion was made by Commissioner Rehtin and seconded by Commissioner Otto to adjourn. All voted "AYE" and the meeting adjourned at 5:55 p.m.
