

GOT LEFTOVER PAINT?

LATEX | ACRYLIC | WATER-BASED*

***NOT hazardous waste. Can be solidified and thrown in regular trash with lid off.**

Mix paint hardener, concrete mix, cat litter, shredded newspaper, or anything similar to solidify the paint

Let sit with the lid off for several hours (or days, depending on solidifier and amount)

Once hardened, leave lid off and throw away with regular trash

FREE PAINT HARDENERS AVAILABLE

Pick up @ Campbell County Administration Building
(1098 Monmouth Street, Newport, KY 41071)
