- Preferred Tent Sites**  
Some Preferred Tent Sites include water & electric connections. (1-12) Sites are grass and gravel with one picnic table and fire ring.

## LODGING

- Yurt (Y1 - Y5)**

## RV SITES 20 - 46

## RV CAMPING

- RV Campground (RV01 - RV12)**  
Off Flatwoods Road. Large, level gravel sites with water and 20/30/50 amp electric, fire ring; no sewer hookups. One picnic table per site on concrete pad. Campground has picnic shelter and playground equipment. Equestrian stables available for horses (horses cannot stay in campground overnight).
- RV/Equestrian Campground (EQ13 - EQ16) (Available for all campers)**  
Off Flatwoods Road by Horse Stables. Water and 20/30/50 amp electric.
- RV Sites (20 - 53)**  
Improved sites 20-46 have water, 20/30 amp electric service, picnic table and fire ring; no sewer hookups. Sites 20-46 with asphalt pads best suited for pop-ups/small campers due to tight turning radius. Sites 47-53 have gravel pads and 20/30/50 amp electric service.
