Thomas Lakes - A Proclamation was read proclaiming March 29, 2006 as Staff Sergeant Thomas Lakes Day, recognizing Staff Sergeant Lakes for his admirable dedication while in active duty in the Kentucky Army National Guard while stationed in Iraq, representing the United States in the 1st Battalion of the 11th Special Forces as a Communication Specialist before being promoted to Intelligence Analyst and serving two tours with the Special operations Command in Europe. Staff Sergeant Lakes was honorably discharged in 1993, at which time he joined the Campbell County Police Department, serving in the Patrol Division and as a School Resource Officer in the Silver Grove Independent School District. He has been with the Department for 13 years. He also served as a member of the 940th Military Police Company for 15 months, and assumed many roles and positions in his efforts to aid Operation Iraqi Freedom as the Squad Leader for the 2nd Squad, 1st Platoon. The Kentucky National Guard relied on the leadership and expertise of Staff Sergeant Lakes as he led daily combat patrols in Al-Dewannea and Al-Karbala and supervised the Joint Communications Center at Sammara. Chief Hill and Judge Pendery expressed their thanks and gratitude to Staff Sergeant Lakes for his honorable service to the Campbell County Police Department and to his country.

Ms. Williams next requested a motion to appoint Zachary Rechtin, Nicholas Timon and Steve Kush as Campbell County Police Officers, Patrolman Grade 1, Salary Grade 9A-\$16.3355/hr. Mr. Rechtin and Mr. Timon will be appointed effective April 10, 2006, and Mr. Kush will be appointed effective May 1, 2006. Judge Pendery made a motion and Commissioner Otto seconded, to approve the motion. There being no further discussion, all voted "AYE" and the motion passed unanimously.

He recognized President Keith Daniels, Secretary Bill Hofstetter and member Bill Voelker. He also thanked members who were not present, Rees Hardy and Alex Futscher.

Judge Pendery commented that everyone can see from the officers who were presented with awards tonight and the new officers coming on board that the Campbell County Police Department has some fine, quality men and women on its department. He again thanked Staff Sergeant Lakes for his time and commitment in Iraq, and the risks he was willing to take. That kind of dedication and commitment is the same kind of character that can be seen throughout the Campbell County Police Department. He acknowledged that while Iraq is a much more dangerous area of operation than what Campbell County is, Staff Sergeant Lakes was not driven to serve by an urge to achieve war. His impulse was to look after his fellow Americans and serve his country and the entire County appreciates his service and dedication. Judge Pendery stated that even though Campbell County is a safer place than Iraq, there is some danger in police work, and it is the same traits of dedication and willingness to sacrifice that Officer Lakes has displayed by serving his country that you see in some sense illustrated by the men and women who serve this County in its safety department. He also thanked the families of these Officers as they are well aware of the dangers and time commitment involved with this type of job.

Chief Hill then gave a PowerPoint presentation of the 2005 Annual Report for the Campbell County Police Department. He thanked the men and women of the Department for their tireless efforts and unwavering commitment to improve the quality of life in this community, and the Fiscal Court members for their financial resources needed to enhance public safety and the leadership that makes this community safe. Chief Hill stated that the Department consists of himself, an Assistant Chief, three Lieutenants, four Sergeants, five Detectives, two School Resource Officers, Fifteen Patrol Officers, and 2 Records Clerks. Barrett Champagne being promoted to Lieutenant, Officer Ronald Ratliff being promoted to Sergeant, Officer David Halfhill receiving the Governors Award for DUI Enforcement, the retirement of Records Clerk Velma Krieg, the hiring Karen Dennemann as Records Clerk, the hiring of Nicholas Heiert as Patrol Officer, Officers Tina Straman and Gilbert Marksberry receiving length of service awards, and Officer Gilbert Marksberry receiving the Outstanding Achievement Award. In 2005, there was a decrease in the number of crimes reported, a decrease in the total number of citations issued, and an increase in the number of arrests. The Department has 17,817 calls for service that were either dispatched to the officers, or were the result of their activity, which was a 3% decrease from 2004. Also in 2005, the

Department's Investigative Section actively worked on 128 cases, of which 100 were worked by General Investigators and included murder, assault, burglary, theft, narcotics and forgery cases. The Department was awarded a grant in the amount of \$23,100 in 2005 for its P.A.U.S.E. program (Prevent Accidents Using Speed Enforcement). There are two focuses on this campaign, to help the residents of Campbell County become more active, and create a physical activity coalition. There will be a media campaign beginning mid-April with advertisements in NKU's newspaper and the Campbell County Recorder that will describe a 6-week incentive based physical activity campaign. It has picnic areas, camping, boating, fishing, soccer, playground equipment and golfing, and he encouraged everyone to take advantage of these amenities. Due to economic conditions, the park has had many changes over the years like many businesses. The Golf Course is currently participating in a program through the PGA Play Golf America Program to encourage participation among golfers. A.J.
